

#101 Polypropylene

Economy Gloss 1.05 mil

FilmLOC® Advantage Self Wound Lamination for Labels and Tags

Description #101 gloss economy polypropylene lamination. General purpose. Designed for paper labels and some films. Economical but still has great clarity and adhesion. Available in longer length and bulk pack to reduce costs, reduce packaging waste and make running lamination more economical.

Applications For standard labels. Good wet out on paper and some films. For general use but is not recommended for solid dark colors.
