

#201PR Polypropylene Prime No Liner Gloss 1.3 mil

FilmLOC® Advantage Self Wound Lamination for Labels and Tags

Description #201PR gloss prime no liner polypropylene lamination. Gives the same wet out as lined laminates. No fisheyes, lines, streaks or chatter marks. Less than half the cost of lined lamination and no liner to discard.

Applications Excellent for clear film and for foil labels. Special acrylic adhesive formula allows great wet out. Works quite well for dark colors. Not designed for use on paper labels.
