

#209E PET

Release Coated Gloss 1.5 mil

FilmLOC® Advantage Self Wound Lamination for Labels and Tags

Description #209E release coated gloss polyester. Quiet easy unwind. Higher heat resistance than BOPP laminations. Lamination and adhesive is UV stable but does not offer UV blocking to inks on the labels.

Applications Less costly alternative to lined polyester laminates. Recommended for vinyl, film and paper labels and for polyester prime labels and compliance labels. Excellent for reinforcing.
