

#209TT PET Thermal Transfer Printable Gloss 1.5 mil

FilmLOC® Advantage Self Wound Lamination for Labels and Tags

Description #209TT thermal transfer printable gloss polyester self wound lamination. Special non top coated gloss PET film for thermal transfer printing. For best results use premium resin ribbons. Test ribbons for suitability on the lamination and to your application.

Applications Less costly alternative to lined thermal transfer polyester laminates. Recommended for prime labels, compliance labels and all other labels requiring variable information and thermal transfer printing.
